As announced exclusively in THE EVENING WORLD yesterday a resolution reiterating unwavering loyalty to Senator Hill and one expressing unalterable opposition to Grover cleveland were offered. The former was adopted. Action on the latter was deemed fixeyedient at this time and it was shelved. The resolution pledging steadfast support to senator fill was presented by Gen. Sicrum and agreed to, with only one dissenting vote, that of Benjamin wood. This is the resolution:

The trouble in the Ninth District Republi-can Club over the erection of a Harrison banousness, which robs me of the privilege of visiting the park in the afternoons and enjoying the concerts. I appeal to you, as well as to all my friends in the neighborhood, to urge the change at the earliest possible moment."

"What is that?" I asked,
"That's "Stand by the colors," said one of the officers.

Two saviors came aft, cast off the ensign halyards, and stood by with their eyes on the flagship. In a few moments we heard bugles sounding again; for you must know that on board ship many of the commands are conveyed by a few musical notes upon the bugle.

A marine cave aft, and, saluting, said:
"Haul down, sir?"

"All right," said the officer of the deck, "Stand off."

. . . The present action of the Dock Department a swooping down on the boat-houses along the Harlem is stirring up the boat clubs lo-ated there in a decided manner. The Department wants the boat clubs to pay a renta or 10 cents a square foot for the space covered or to cents a square foot for the space covered by their houses. A prominent coarsman, in talking about the matter, said: "If the city wanted to use this space for any purpose we could see the sense in this demand, but, as it is, coarsmen in general consider the movement an outrage. The boat clubs do a vast amount of good and are a picturesque feature of the city, and should not be molested or imposed upon."
